Hashima Safety Contract

1. By signing below, I confirm having read and understood the safety rules upon the landing on the Gunkanjima island. I will:

- 1) Remain in the designated pathways as well as within the observation desks all the time during the tour;
- 2) Refrain from doing the following acts:
 - a. climbing any fences; b. running; c. ignoring any instructions; d. drinking alcohol & smoking
 - e. damaging any facilities; f. leaving any litter and garbage; g. using umbrellas; h. annoying other guests;
 - i. setting fire; and, j. political acts like handing banners and demonstration.
- 3) Follow any instructions given by the Staff
- 4) Wear shoes and clothes suitable for the landing
- 5) Inform in advance if I want to land with small children and/or persons with physical disabilities.
- 6) Be photographed and reported to the police if I enter the restricted area on the Island as an evidence of breaching the rules.

2. Other tour-related issues to be understood:

1) The landing on Hashima (Gunkanjima) Island might not be possible depending on weather and sea conditions. With safety as the first and foremost priority, the Captain will make the final decision about the landing when the boat approaches the island. In case that the landing on Hashima is not carried out, you will get the refund of the admission fee, and we will take you to the Gunkanjima Digital Museum as a part of the tour.

(Customers, who made a reservation for the tour and the Gunkanjima Digital Museum combination plan, will receive the refund of the admission together with our complimentary goods after the tour.)

- 2) The Audio Tour (free of charge; English) is available but we never offer any refund/ compensation even if there is any problem with the audio.
- 3) The upper deck seats might have some sprays and splashes of water depending on weather and sea conditions.
- 4) No audio recording and videotaping of the guide and introduction on the screen during the tour.
- 5) No use of any type of umbrellas on the island because the pathways and observation areas are limited and narrow.
- 6) You may be allowed to record what guides explain while on the island; however, any piece of it should not be uploaded to any SNS/Internet. This act will breach the intellectual law.
- 7) Neither Gunkanjima Concierge Co., Ltd nor Nagasaki City can hold any responsibility in case of any accidents or damages caused by individuals who do not follow the safety instructions and guidance.

I confirm that I have read and agree with all the items mentioned above.
